# Dräger to support New Zealand Fire Service members following the Christchurch earthquake

## Donation to UFBA handed over

Wellington, New Zealand – Dräger has recently followed the Benevolent Fund Firefighters Earthquake Appeal by the United Fire Brigades Association and donated NZ\$ 10,000.00 to help firefighters in need to get back on their feet.

Dräger's gesture was initiated by the Dräger family following Claudia Dräger's visit to New Zealand in August 2010 and her concerns about the impacts the earthquake had on the New Zealand population. During an informal meeting with the Chief Executive Officer of UFBA, George Verry, Dräger's representative Regional Manager, Christopher David, handed over the cheque donation. George Verry was extremely grateful for the support Dräger has offered in the aftermath of the earthquake and the support provided through this donation.
